flooring. It also has easy access to the private outdoor undercover entertaining area complete with outdoor fire. There is a second lounge room off this area along with a fully equipped kitchen with granite bench tops, heaps of cupboard space, a large pantry and dining area.

Completing the main residence are 3 generous sized bedrooms, 1 with a built-in robe, an ensuite with walk-in robe and storage, and the main bathroom which is fully renovated.

A separate fully self contained and renovated studio offers an open plan living / dining and kitchen area, a bedroom, bathroom and a gym or office area and a laundry. Adjoined to this is a large workshop which could provide additional space to the studio accommodation, if required. The studio is ideal as a teenager retreat or maybe even a rental option. Either way, it's a real bonus.

In the rear yard there is a rotunda which provides a lovely private area to enjoy a coffee or wine depending on the time of day.

Heating options include ducted heating / cooling, 2 x electric fires, 1 x gas fire and floor heating. Solar panels along with security cameras, 3 phase power, an alarm system, hard wired smoke alarms and an easy care watering system for the garden, have been installed.

This is a very unique, serene and much loved place to call home and it is certainly one of Trevallyn's best kept secrets. A private inspection will impress even the most discerning of buyers.
