includes 3 bedrooms with built-in robes, a main bathroom, two study nooks and a laundry.

The final wing is the peaceful self contained guest retreat which includes a kitchen, bathroom, living room and bedroom with built-in robe.

The last building on the property is a 167m² garage with 3 roller doors, bathroom, laundry and plenty of garage space. This would make a fantastic studio, workshop or possibly guest accommodation with some redevelopment (stca).

Having been around the property a few times now, I feel there is so much versatility - a peaceful haven for your growing family, a possible home with guest accommodation options (stca) for the semi retirees or possibly a property where you could provide eco tourism (stca).

So much on offer here and located only 15 minutes from the Launceston CBD.

This is truly a once in a lifetime opportunity so don't delay with booking a private inspection!
