

60B Forster St, Invermay

BUY 1 OR BUY BOTH

🏠 2 🚗 2 🚲 2 📏 279 m2

A rare find in the current market these 2 neatly presented conjoined units are set on separate titles, conveniently located in the heart of Invermay. Both properties are currently rented until early 2026 and offer a near identical floorplan - including open plan living, one bedroom and one bathroom with laundry.

Each unit has an allocated single carport and there is extra visitor parking on site. The block is very low maintenance and there is no Body Corporate or Strata Levies to consider.

Currently renting at \$495.00 per week between them (note: rent is under current market value) these units offer an excellent long-term investment option for someone keen to start a rental portfolio, or a buyer wanting to add a solid, low maintenance property into the mix.

Pre-Sale Building Inspection Reports have already been completed for buyer convenience and inspection is by appointment only. Give Rae a call for more information on 0455 445 300.
