Your Private Retreat with Sweeping River Views

Wake up each morning to magnificent views of the Tamar River and the mountains beyond, all from the comfort of your living room. This stunning three bedroom, two bathroom residence is not just a house, it's a lifestyle.

Designed and built in 2012, with only one owner since, the home embraces light and space with its contemporary open-plan design. Floor to ceiling glass captures the ever-changing outlook, while polished timber floors add warmth and elegance. Every detail has been crafted to combine style with ease, creating a home that is as low-maintenance as it is inviting.

This home is one that offers warmth in every room, either from the sun streaming in or the quality reverse cycle split system. The recent inclusion of solar panels has proved to be absolute asset with power bills being in credit most of the time.

Entertaining is effortless here, whether you're hosting friends on the deck with the river as your backdrop, or simply enjoying a quiet evening surrounded by nature. A large double garage with workshop, and extra parking provide all the space you need for hobbies, storage, or your boat and caravan, making this property perfect for both relaxation and adventure.
