

Unique Architectural Retreat with Stunning Tamar Views

Set on approximately 1,441m², this distinctive architect designed home enjoys a sunny northerly aspect and sweeping views towards Tamar Island. Surrounded by established trees, including a variety of fruit trees, the property offers privacy, tranquillity and the opportunity to embrace a more sustainable lifestyle.

Measuring approximately 60m², the one bedroom home is full of character, featuring a striking curved roofline and the warmth and beauty of Tasmanian timbers throughout. Expansive decking creates the perfect place to entertain or simply relax and take in the ever-changing outlook, while large sliding doors provide a seamless connection between indoor and outdoor living.

The open-plan design incorporates a well appointed kitchen, dining and living area, creating a light filled and inviting space. A spacious bedroom with walk-in robe and direct access to the bathroom adds to the home's thoughtful and practical design.

Year round comfort is provided by a heat pump and wood heater, while solar panels contribute to energy efficiency. A carport provides convenient off-street parking, with extra off street spaces available too.
