Awe Inspiring Views, Architect Designed Home

It's certainly all about the views here! They're simply breathtaking - the bend in the river and the mountain views, simply beautiful.

The architect designed home is located at the end of a no through road and offers its new owners a private and peaceful lifestyle close to town.

A fantastic floor plan offers 4 bedrooms, 2 bathrooms, 2 separate living areas, an 'as new' modern chef style kitchen / dining room, a sun room and a laundry.

The gardens are established and have a watering system installed.

The current owners have also installed 10kw solar panels.

Enjoy summertime entertaining with family and friends on the rear undercover deck as you take in those views. A great aspect too allows for all day sun. While a garage, carport and extra off street parking complete the picture.

A private viewing will impress.
